Dear Ms. Cama:

Pursuant to your conversation today with my Paralegal, please allow this letter to confirm that the status conference currently scheduled for February 8, 2008 before The Hon. Charles L. Briant has been adjourned until February 22, 2008. This request was made because plaintiff's counsel is engaged in trial in the Putnam County Supreme Court and is on consent of all parties.

Thank you for your consideration in this matter.

Very truly yours,

GREGORY W. BAGEN
